Hi Kevin-

Thank you for the note. This confirms our conversation where you informed me that you, and your firm, would be appointed at the upcoming Board meeting on April 11, 2024. You informed me that President Thomas asked you to make this communication about the appointment, and that my presence at the meeting was not necessary. In response to my question, you also advised that there had not been a board meeting or executive session where appointment of your firm as solicitor was discussed.

As I stated on the phone, the Rules of Professional Conduct prevent me from sharing attorney-client privileged information prior to any Board vote to appoint you as counsel for the District. I'm certain you can understand that, and would not ask me to breach my responsibilities to the District.

Good Afternoon Brooke,

Thank you for our conversation earlier. As I indicated, Heidi Thomas, president of the Board of School Directors of the West Shore School District asked me to reach out to you as a courtesy to inform you that a change in solicitor will be on the agenda for the April 11, 2024 meeting. With the goal of making the transition as smooth as possible, we would appreciate if you could provide us with a list of the most pressing issues facing the school district and begin preparing transition paperwork for any active matters that you or your firm are currently working on. We do not foresee a need for you to attend the meeting on Thursday. However, if there are any agenda items that you feel we should discuss prior to that meeting, please do not hesitate to contact me on my cell below to discuss.

Thank you for your professionalism and courtesy in making this a smooth transition and feel free to call me at any time.
